

--FOR IMMEDIATE RELEASE--

Goldfinch Bros., Inc. Welcomes 6th Generation Sean Goldfinch to the Company

Everett, Washington, January 19, 2018 - Goldfinch Bros., Inc. announced the hiring of another member of the 6th generation Goldfinch family this month. Sean Goldfinch joins his cousins, Joe and Jenae as the third 6th generation team member at Goldfinch Bros.

Sean, son of Goldfinch Bros. CEO Greg Goldfinch, first started helping out at the company at a young age filing invoices. As he grew his jobs branched out to include working in the shop as a Sawyer and CNC operator and in the office estimating for the commercial shell and core department.

Sean attended Archbishop Murphy High School from 2010 to 2014 graduating Salutatorian. From 2014 to 2017 he attended Pepperdine University graduating with a Bachelor's degree in Business Administration; his Concentration was Finance.

Scott Murphy, President and COO of Goldfinch Bros. stated, "We are very excited to have Sean join our team. Having another sixth-generation member of the Goldfinch family is another milestone and helps to ensure that the legacy of our 126-year-old business will continue for generations to come. Sean, as a student has worked for the business on and off for many years. Now that he has graduated from college, we are pleased to be teaching him the "business side" of the glass and glazing business."

Sean will be working out of the company's South Everett location as a Contract Administrator.

About Goldfinch Bros., Inc.

Goldfinch Bros., Inc. is a full-service glass and glazing company serving commercial and residential customers in the Puget Sound region for 126 years (since 1892). In December 2010, Seattle Business Magazine named Goldfinch Bros. mid-size Family Business of the year. The company is headquartered in Everett, Washington and operates a residential division office and retail location at 2812 Rucker Avenue in North Everett and a commercial fabrication and office facility on Holly Drive in South Everett. The company has an exclusive relationship with Schuco, the leading curtain wall company in Europe, for fabrication and distribution of Schuco products along the west coast of the United States. In addition, Goldfinch Bros. developed a proprietary sliding door system, AD Systems High Performance Doors, for interior applications, which is now being distributed nationwide. More information about Goldfinch Bros., Inc. can be found at www.goldfinchbros.com and more information about AD Systems High Performance Doors can be found at www.specadsystems.com.
